

Andrea Lawrence

RN, BSN

Current Projects:

- ✓ "Improve Patient Perception of Courtesy Through Whiteboard Standardization" –Level 3 Pathway Project. **Co- Leader**
- ✓ "Patient Medication Education Process" – Implementing a new way for nurses to educate their patients, house-wide. **Leader.**

EXPERIENCE

Clinical Nurse | Northwestern Medicine | 2014 - Present

Registered Nurse on Feinberg 11 East Unit, a Surgical-Transplant floor; Charge Nurse as needed.

EDUCATION

Bachelor of Science in Nursing | May 2014 | Loyola University

Graduated from Loyola's Graduate 16- Month Accelerated Bachelor of Science in Nursing Program

Interdisciplinary Health Services | May 2012 | Western Michigan University

Minor in: Holistic Health Medicine.

I co-facilitated and lead a behavioral research study as a Research Assistant at Borgess Hospital in Kalamazoo, MI, regarding the TIGR Teach- Back system for post-surgical cardiac patients. The study lasted 6-months and investigated the effectiveness of the "teach-back" method and which videos properly prepared the patient for discharge.

*Transcripts available upon request.

Objective

I believe every patient has the right to heal. As a nurse and as a human; caring for others is my calling.
